

HOW TO MEASURE A FENCE POST

Write your measurements in the boxes.

Take this measurement from the top of the post (not the top of the cap), to the center of the first hole.

Measure this from the center of the 1st hole to the center of the 2nd hole

Measure this from the center of the 2nd hole to the center of the 3rd hole

Measure the width of your post so it can be sized accordingly for your replacement post
